

FAQ's

How long is the route each day?

Each day's route will be different, and you will be on the road for approximately 4 -5 hours each day.

Will the route be difficult to maneuver?

Your adventure kit will include very specific driving instructions. It will be the responsibility of your TEAM NAVIGATOR to read the directions provided and to watch out for points of interest along the way.

Your day's route may take you on some very well maintained gravel roads, and will include 2 lane country roads and scenic views.

I am allergic to certain foods, will that be a problem?

Absolutely not! If you are booking your adventure with one of our reservation specialists, please let them know and they will make a note of it. If you are making your reservation online, you will be given an option to leave a special message with your reservation.

Will there be gas stations and restroom breaks along the way?

Absolutely! These options will be clearly marked on your route. Your ADVENTURE KIT will clearly highlight all gas station and restroom opportunities.

Could you provide me with a copy of the route BEFORE the Rally Adventure?

Copies of the route will not be available before the adventure. Each day before you leave Spring Mill Inn, you will be given a very detailed copy of the route in your ADVENTURE KIT. This planned route will include daily CHALLENGES for points and prizes. So no studying allowed!

What is a CHALLENGE?

Challenges are based upon the information on your route. These challenges may include certain tasks to complete while on the road, or may involve a fact-finding trip for answers. All "challenges" will revolve around your route of Southern Indiana and Spring Mill State Park. Your TEAM will earn points for each correctly completed "challenge" – and the top TEAMS will be rewarded with prizes.

What types of nightly entertainment do you offer?

Our entertainment options for your event are designed to be informative as well as entertaining. Our options range from local musicians to live encounters with birds of prey.

What items should we bring for this adventure?

Based upon your specific level of interest of some of the sites that you will see, some walking may be involved – so comfortable shoes are a must! And don't forget your camera, as you will want to take shots of your adventure.

You will be asked to provide proof of insurance, and under no circumstances will alcohol be allowed.
